

***Access Indiana Information Network  
Electronic On-line Service Authorization and Rate Request***

**Date Proposed:** August 27, 1998  
**Request Number:** 1998-3  
**Rate Period:** Indefinite

**Summary:**

Consistent with the Indiana statutes governing access to public records, enhanced electronic access, and the Indiana Intelenet Commission; the State of Indiana Broad Agency Announcement 95-39; the Network Manager Proposal of Indian@ Interactive, Inc., and the contract dated August 17, 1995, with any amendments thereto, between the Indiana Intelenet Commission and Indian@ Interactive, Inc.; Indian@ Interactive, Inc. being authorized as Network Manager for the Access Indiana Information Network (AIIN) requests and recommends that the Enhanced Data Access Review Committee of the Indiana Intelenet Commission (EDARC), by and through its authorized officer or agent, approve and authorize the Network Manager to create, implement and offer to the public the AIIN services proposed in this document. In addition, the Network Manager also requests and recommends that EDARC approve the interactive on-line enhanced access fees per service offered as detailed in this document. Such funds collected for AIIN services by the Network Manager will be used in accordance with the contract mentioned above. It is understood by all parties that the rates requested in this document per service are the maximum allowed and will be published in the AIIN fee schedule and Service Agreements. The Network Manager reserves the right at its own expense to offer any and all AIIN services at any rate less than the maximum amount approved in this and any future rate requests.

**Service Request 59: Indiana State Department of Health – Certified Nurses Aid Registry Data Base**

In accordance with the authorities cited above, the Network Manager requests and recommends that enhanced electronic access to the Indiana State Department of Health (ISDH) Certified Nurses Aid Registry database be made available by the network on a fee basis. Network subscribers will have the ability to check the CNA certification status of any individual registered with the ISDH. The Network Manager recommends and requests that this enhanced service be made available for a fee of \$1.00 per record. Revenue from this service will be used for the general operation and development of the Network.
